- 赤いバラ一輪の意味

「一目惚れ」「あなたしかいない」といった、相手への強い特別な思いを表わします。

また、赤いバラの花言葉は、「愛情」「情熱」「美」です。

これらの意味が組み合わさって、「あなたに惚れました。私の心はあなた一色です。」といった強い愛の告白を伝えることができます。

Story 3 about death.

I look in the mirror every morning and ask myself, "If today were the last day of my life, would I want to do the things I am planning to do today?" When the answer is often "No," I know I need to change something.

About a year ago, my doctor told me that I have cancer. No one wants to die. Time is limited, so here's my advice to you. Live your own life. Don't live someone else's. Listen to your own inner voice. Have courage and follow your heart. It already knows what you want.

When I was young, I liked a magazine that ended with the words: "Stay Hungry. Stay Foolish." I have always wished that for myself. As you graduate and begin a new life, I wish the same for you. Stay Hungry. Stay Foolish.

Chapter 1

It is a truth universally acknowledged, that a single man in possession of a good fortune, must be in want of a wife.

However little known the feelings or views of such a man may be on his first entering a neighbourhood, this truth is so well fixed in the minds of the surrounding families, that he is considered as the rightful property of someone or other of their daughters.

'My dear Mr Bennet,' said his lady to him one day, 'have you heard that Netherfield Park is let at last?'

Mr Bennet replied that he had not.

'But it is,' returned she; 'for Mrs Long has just been here, and she told me all about it.'

Mr Bennet made no answer.

'Do not you want to know who has taken it?' cried his wife impatiently.

'You want to tell me, and I have no objection to hearing it.'

This was invitation enough.

'Why, my dear, you must know, Mrs Long says that Netherfield is taken by a young man of large fortune from the north of England; that he came down on Monday in a chaise and four to see the place, and was so much delighted with it that he agreed with Mr Morris immediately; that he is to take possession before Michaelmas, and some of his servants are to be in the house by the end of next week.'

'What is his name?'

'Bingley.'

'Is he married or single?'

Ryosuke Takashima

28 / NEXT-GEN MAYOR

In Japan, a country shaped by its gerontocratic politics, Ryosuke Takashima is breaking the mold. He became the nation's youngest-ever mayor in 2023 at the age of 26, when he was elected to serve the over 90,000 residents of Ashiya.

Since then, Takashima has prioritized reforms that benefit younger generations, such as redesigning classroom instruction to give teachers more agency and students more

personalized learning, shifting per-person cash benefits for seniors to investments in shared public services, and advancing cost-effective climate action. He has also emphasized transparency, holding open dialogues so that

^{voters} constituents feel heard and understand the changes being made. His most memorable moments as mayor have been seeing middle schoolers initiate their own democratic processes to revise strict school rules on things from hairstyles to cycling. Schools and local communities are "the frontline fortress of democracy," ^(ho) Takashima says. He believes that the role of mayor is well situated to improve ordinary people's lives: it's "close enough to residents to turn dialogue into action, and positioned to connect schools, city hall, and citizens to change things together."
